The Legend of the Bone Lyrics

Well I told you bout the truck and I told you bout the worm
Now listen to this tale the legend of the bone

Now the man he bought the bone, **Man-(I'll take that one)**, To make his simple soup, **Man-(I'm making soup)**
He walked out of the shop, **Man-(goodbye)**, With the bone inside a sack, **Man-(goodbye) (uh huh)**
The sack it had a hole, **Bone-(oh no)**, And the bone fell through the hole, **Bone- (there is goes)**
The man he dropped the bone, **Bone- (what a fool)**, The bone fell on the ground, **Bone- (oooooh)**

Now the dog was on a walk, **Dog-(arf arf)**, Just wandering about, **Dog-(doo doo dee doo)**
And the bone was lying there, **Dog-(hey what's that?)**, And the dog he saw the bone, **Dog-(ahhhhhhhh)**
Now the dog chewed on the bone, **Dog-(ar ar ar)**, And the bone felt right at home, **Dog-(this is nice)**
And you'd think that'd be that, **Dog-(that's the end)**, But the dog found a rubber ball, **Dog-(boing boing)**

So the dog he dropped the bone, **Bone-(bew whip)**, And the bone it rattled on, **Bone-(rattle rattle)**
And finally came to rest, **Bone-(ker plunk)**, Near a lonely stump.

Now the crow was bored and tired, **Crow-(I'm bored)**, And needed something fun, **Crow-(I want something fun)**
And when the bone came rattling up, **BONE-(bdrbdrbdr-up)**, The crow he grabbed the bone, **Crow-(grab grab)**
And the crow flew way up high, **Crow-(flap flap)**, With the bone in both his claws, **Crow-(I've got it)**
And the bone was amazed, **Bone-(I'm amazed)**, It had never seen the mountains

But the crow his legs got tired, **Crow-(oh my)**, And he realized he didn't like bones, **Crow-(I don't like bones)**
So over a mountain lake, **Crow-(ah ha)**, The crow he dropped the bone, **Bone-(boo wup)**
And the bone came sailing down, **Bone-(blrblrblrblrblr - ooo)**, And plopped right in the lake, **Bone-(plop plop)**
And the bone forgot to swim, **Bone-(I don't know how)**, So the bone he quickly sank, **Bone-(beeeeeeeew)**

Now the crab was crabbing around, **Crab-(clib clib)**, Looking for a friend, **Crab- (I need a friend)**
And the bone came floating down, **Bone-(float float)**, To the bottom of the lake, **Bone-(ahhhhhhhh)**
Did I tell you bout the crab, **Crab-(no)**, He's called a hermit crab, **Crab-(oh I see)**
And he needs a hard little home, **Crab-(I've heard of that)**, And he moves all the time, **Crab-(cause I'm restless)**

So the bone it had a hole, **Crab-(ooooh)**
And the crab he needs a home, **Crab-(uh huh)**, So the crab crawled right inside, **Crab-(get in there)**
And the bone became a home, **Crab-(ahhhhhhhh)**

Now that's the end of that, **Bone-(oh no)**, There is no more to tell, **Bone-(aw c'mon)**
From something for a soup, **Bone-(that's true)**, To a submarine like shell, **Bone-(that's better)**

So goodbye to the man, **Bone-(goodbye man)**
And goodbye to the dog, **Bone- (see ya dog)**
Goodbye to the crow, **Bone- (goodbye crow)**
Goodbye to the crab, **Bone- (goodbye crab)**

And Goodbye ____, Goodbye ____, Goodbye _____

Goodbye to the bone (4x's)
