August, 2022

Volume 13, Issue 2

From The Desk Of The Superintendent

William Derringer

As we prepare for the start of another school year, I would like to share some information with you about a couple of new and exciting things that we will be doing this fall.

First, we have decided to open our very own "Wee Panthers Preschool", which will allow us for the first time ever, to offer an in-house preschool as a part of our elementary school. We will be starting out with two classrooms that could support an enrollment of 16 students each. There will be an A.M. preschool with afternoon daycare as well as a P.M. preschool with morning daycare. We will also offer lunch, snacks and transportation to and from school for any preschool student who stays the entire day. It is our hope that by adding this preschool, as well as working with Head Start, the preschool at the Preble County ESC, Panther Prep and Kids Connection preschools located in Lewisburg, we can better prepare our incoming students each year for kindergarten and provide experiences for them to be more successful throughout their time here at TCN. Please contact Noelle Rhoades at the Tri-County North District Office if you would like to sign your child up for the Wee Panthers Preschool. We currently still have spots available on a first come first serve basis.

I would also like to inform you of the new track and field turf project that has been under way down at our stadium this summer. I know that many in the community are excited to see this project when it is finished. Currently, the turf is nearing completion and then they will complete the track. The funding for this project has come from a variety of sources including: federal grant funds, casino revenue funds, permanent improvement funds and our general fund. We have also made numerous improvements to the drainage around the stadium to protect our investment. We believe that upon its completion, this facility will be one of the finest in our area and something that our community will truly be proud of. Not only will the facility be used for football and soccer, but we have already scheduled an awesome band competition, as well as the WOAC league track meet this year. It will be utilized by physical education classes during the day, practices after school and the track will also be open in the evening hours for Tri-County North community members to walk if they choose. We will be planning a dedication ceremony in the near future to foster excitement about the new facility.

These are just a couple of the exciting things that I wanted to share with you. There have also been many other projects this summer that have been improvements for TCN that your children will notice when they return. School starts back for students on Wednesday, August 17th. Enjoy the rest of your summer and let's get off to a great start this year!

TCN Class of 2022

The Tri-County North Class of 2022 graduated on Thursday, May 26, 2022, at Salem Church of God. There were 65 graduates overall, 24 of which attended MVCTC. The TCN Class of 2022 Valedictorians were: Mackenzie Bacher, Lindsey Koenig, and Shawnee Krull. The Salutatorian was Jenna Klingenberger. The Tri-County North Board of Education, Administration and staff would like to wish each graduating senior the very best in all of their future endeavors. It has been a pleasure having you represent TCN! Congratulations and best of luck to you in your futures!

Elementary School News

Joe Finkbine

Wow, another school year is about to start, summers just seem to go so fast. We have exciting news in the elementary this year with the start of our preschool in our own building. Two classrooms have been converted to be preschool classrooms and teachers have been hired to head our Wee Panthers Preschool. Rebekah Foust and Kiersten Weaver will be joining together to provide our preschool students the best early start to their educational career! We are excited to have our new staff members welcoming students into our building on their first day of school. Communications sent home this year will be through our OneCallNow system as well as ParentSquare. The school will provide phone calls through OneCallNow and written communication will come through ParentSquare. Be looking for communications from your child's teacher(s) throughout the year for information concerning what is going on in the classroom(s) with your students. Reminder - all guests will still need to sign in at the main office as they enter door #2 during the school year. Our open house is on Monday, August 15th from 5:00 – 6:30PM so please come in and see your students' elementary classrooms and teachers! I so looked forward to seeing the students' smiling faces as they enter the building to start another school year!

Middle School News

Joe Hoelzle

I would like to start off by saying thank you for the great experience of being able to work at Tri-County North as a principal for these past six school years. I am very proud of the progress the school district has made and some of the projects that I have helped implement and lead. Specifically, before the COVID-19 pandemic, the middle school had seen increasingly better performance index scores on the achievement component of the state report card and recently has seen above expected student growth in every grade level and subject area. We accomplished this by focusing first on people and culture, then curriculum, assessment, and intervention/enrichment. Tri-County North has a top-notch staff with outstanding teachers. We have implemented innovative programs such as PBIS, RTI, an activity period called panther time, and a 1:1 chromebook computing program. As a school, we have participated in "one book, one school", and brought in authors to speak to the students about the importance of literacy. We have added a class to students' schedules called math enrichment, focusing on individualized math skills. We navigated the COVID-19 pandemic, helped our students and teachers transition to home instruction, and gave students the option of a virtual academy during the 2019-20 school year.

With bittersweet emotions of leaving a great situation at Tri-County North, I have accepted a new opportunity as I have been offered the Superintendent position at Covington Exempted Village Schools. It is my hope that the new Middle School principal is able to build on this progress and take Tri-County North middle school to new heights. I am very grateful for all of the opportunities, experiences, and support that I have had from the Tri-County North community and wish you continued success in the future.

High School News

Kristen Mills

The best part about starting each school year is that every single student and staff member is starting a new chapter. To our seniors starting their final year at TCN, get involved in something you haven't done before, plan early, make memories and enjoy your senior year. To the rest of our Panthers, there is no better time to take advantage of a fresh start. Come to school on time and prepare to learn. Show up to all practices and be ready to perform. Get involved in community service and help out fellow classmates. To our beloved staff, continue to provide high-quality education and build positive relationships.

TCN High is very excited to build on the momentum from last year and continue to create opportunities for all Panthers as we work hard to increase outcomes. Students will once again be able to take advantage of courses that will lead to industry credentials and certifications. This will allow our students a leg up on the competition for entering the workforce after graduation. In addition, we will offer access to the *OnToCollege* ACT Prep software and class to all Panthers. This opportunity will allow students to increase their ACT scores in an innovative and effective way. We are extremely excited to bring Xello to our students during their SPIRIT Advisory time. Xello provides students the opportunities to become FUTURE READY whether they are entering a career or college or enlisting. Panthers will take advantage of building their skills while gaining insights to make informed decisions about what they want to do after high school.

Parents and guardians - there are a lot of programs here at North for your Panther to take advantage of and we ask that you help encourage them to do so! Our student-athletes have been hard at work in the renovated SAC as they prepare to represent North on the new stadium field or newly surfaced gym floor. If you are walking or driving by the school, you can hear our talented musicians practicing daily getting ready to take on a very busy season! Finally, the advisors of the many clubs and organizations we offer are looking forward to having all Panthers get involved. We will have a new club this year - ESports!! There is something for everyone!

Happy 2022-2023 School Year!! Let's make it a great year by getting involved and giving our best efforts in all we do!

Elementary Fitness Walk & Field Day Fun

Elementary staff and students got the opportunity to participate in two fun end of the year activities during the last week of school.

A Fitness Walk was held on May 23. Students and teachers were bussed to the walking path near Brookville where they would enjoy a walk to Brookville Golden Gate Park. At the park, Brown Memorial Library was there to read to the students. Then they got to enjoy playing at the playground and having a picnic, before heading back to school. It was a beautiful day to be outside!

On May 25, the annual Elementary Field Day was held. During the morning sessions, students enjoyed some time playing games like Kahoot, Bingo and relay games. Thanks to Cargill Cares for providing lunch for the staff and students this year. After lunch, the sun decided to come out, so our afternoon sessions made their way to the park where those students got to enjoy time at the Splash pad and played relay games.

Dearborn, Michigan Trip

Students from the 6th and 7th grade class took a trip to Dearborn, Michigan on May 12 & 13th. The students went to the Ford Truck plant, the Henry Ford Museum and Greenfield Village where they had a hands-on learning experience and had an overnight trip with fun activities. The students had fun while learning and brought back many special memories.

Elementary Library News

With a week left of school, elementary students went to "Camp Readmore Books" in the library. Students sat around a camp fire of books that had been weeded from our shelves. They read as many as they could to find one just right for them. Most selected one to take home and keep for good. The students were treated to fish, marshmallows, and a cookie while they read. They seemed to enjoy going to their camp (table tent) to read. Mrs. Davidson encouraged them to read over the summer.

The following week Brown Memorial met students after their fitness walk to read the students a book while they cooled down. They returned for field day to talk about Brown Memorial's summer reading program. Students were again encouraged to keep reading over the summer. Thank you Brown Memorial Library. Happy Reading!

A Note From The Nurse

Hello everyone! My name is Cassi Harris and I am your child's School Nurse. A little background information about myself: I grew up in Lewisburg and graduated from Tri-County North. After graduation, I enrolled in nursing school to become an RN and worked at Dayton Childrens Hospital in the emergency department. In 2019, I left Dayton Childrens and began working at the Preble County ER in Eaton. In 2020, I graduated with my Masters of Nursing Administration degree. When the opportunity to become the school nurse at TCN arose back in 2021, I couldn't pass up working with all of these wonderful children! I am excited to spend many more years here at TCN working with parents and students.

I hope that you all had a wonderful summer! Just a few reminders: I have attached the **Immunization Requirements** for school attendance. Please make sure that your child is up to date on these immunizations so that they are not at risk for being withheld from school. Also, if your student has any **medications** that they are required to take during the school day, please make sure that you have their physician fill out the medication order form. Once the form is complete, an adult will have to bring the medication to the school to be checked in by myself and the adult bringing in the medication. There is an electronic copy of the medication form located on the school nurse page on the TCN website, as well as the Forms tab under Families. Last but not least, the **Mobile Dentist** will be at TCN on 9/7/22, as well as 3/7/23. If you would like for your child to participate in the Mobile Dentist, please visit <https://www.mobiledentist.com/> and select the following:

- Parents: Sign-up Your Child
- Enter 45338
- Select Tri-County North Elementary (although it's open to all students in grades K-12)
- Fill out the online form

If you have any questions or concerns, please feel free to contact me at any time throughout the school year. My phone number is 937-962-2671, x4003 and x3003. I can also be reached through Parent Square or at cassi.harris@tcnschools.org.

 Ohio Immunization Summary for School Attendance	
VACCINES	FALL 2022 Immunizations for School Attendance
DTaP/DT Tdap/Td Diphtheria, Tetanus, Pertussis	K-12 Four or more doses of DTaP or DT, or any combination. If all four doses were given <i>before the fourth birthday</i> , a fifth dose is <i>required</i> . If the fourth dose was administered at least six months after the third dose, and on or after the fourth birthday, a fifth dose is not required.* Grades 1-12 Three doses of Td or a combination of Td and Tdap is the minimum acceptable for children ages 7 years and older with the first dose being Tdap. Minimum spacing of four weeks between doses 1 and 2, and six months between doses 2 and 3. Grade 7 One dose of Tdap vaccine must be administered on or after the 10 th birthday. ** <i>All students in grades 8-12 must have one documented Tdap dose.</i>
POLIO	K-12 Three or more doses of IPV. <i>The FINAL dose must be administered on or after the fourth birthday, regardless of the number of previous doses and there must be six months spacing between doses 2 and 3.</i> If a combination of OPV and IPV was received, four doses of either vaccine are required.
MMR Measles, Mumps, Rubella	K-12 Two doses of MMR. The first dose must be administered on or after the first birthday. The second dose must be administered at least 28 days after the first dose.
HEP B Hepatitis B	K-12 Three doses of hepatitis B. The second dose must be administered at least 28 days after the first dose. The third dose must be given at least 16 weeks after the first dose and at least eight weeks after the second dose. The last dose in the series (third or fourth dose) must not be administered before age 24 weeks.
VARICELLA (Chickenpox)	K-12 Two doses of varicella vaccine must be administered prior to entry. The first dose must be administered on or after the first birthday. The second dose should be administered at least three months after the first dose; however, if the second dose is administered at least 28 days after the first dose, it is considered valid.
MCV4 Meningococcal	Grade 7 One dose of meningococcal (serogroup A, C, W, and Y) vaccine <u>must be administered prior to seventh grade entry</u> .
