Parent's Right-To-Know Letter

Dear Parent/Guardian:

At Tri-County North Middle School, we are proud of our dedicated teachers. Their expertise, abilities, and caring assure that your child will receive a high-quality education. As a Title I school, we must meet federal regulations related to teacher qualifications. These rules allow you to learn more about your child's teachers' training and credentials. We are happy to provide this information to you. At any time you may ask:

- Whether the teacher meets State qualifications and certification requirements for the grade level and subject he/she is teaching,
- Whether the teacher received an emergency or conditional certificate through which State qualifications were waived, and
- What undergraduate or graduate degree the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications.

Our staff is committed to helping your child develop the academic knowledge and critical thinking skills he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals are highly trained.

If you have any questions about your child's assignment to a teacher or paraprofessional, feel free to contact me at (937) 962-2631.

Yours in education,

Thomas A. Misenko
TCN Middle School Principal
